About Stambaugh Auditorium:

Stambaugh Auditorium is a non-profit public auditorium which opened in 1926 through the generous gift of Youngstown area businessman Henry H. Stambaugh. The centerpiece of the complex is the Concert Hall which has a seating capacity of 2,553 and is renowned for its near perfect acoustics. The auditorium also features a 9,700-square-foot ballroom (Jeanne D. Tyler Grand Ballroom), a recital hall (Anne K. Christman Memorial Hall), and a formal garden at the southern end of the building, all of which can be rented for public, business, or private functions. The venue welcomes national and international performers on a regular basis while also hosting local and regional events many of which use the Florence and Ward Beecher Box Office to sell and distribute tickets. Stambaugh Auditorium was listed on the National Register of Historic Places in 1984.
